## Colour Proofs

### Imation / Docucolor

The combination of Imation colour fidelity with proven Xerox technology at 600 dpi. We can run from 24 lb. bond to a 12 pt. cover as well as duplex printing. Ideal for short run colour.

### Imation ColourMatch Proof

This SWOP standard proof (on either commercial or publication base) makes a 12" by 18" proof, at 600 dpi. The actual image area covers up to 11.75 by 17.75 inches. The Imation ColourMatch proof is calibrated to match our *3M Imation Matchprints*. **\$35.00 each**

Price List Guide 04-04-06. Prices subject to change without notice.

Note: Rush charges apply for all prices if job is required under four hours (150%).
